

# CRCL THEMATIC DAY

“Cancer with brains: unexpected connections between tumors and the nervous system”

December 1<sup>st</sup>, 2023

Videoconference

## PROGRAM

9.45 AM – Introduction: Patrick Mehlen, CRCL Director and Marie-Cécile Michallet, CRCL

Chair: Céline Delloye-Bourgeois / Romain Parent

10 AM – **Fanny Mann**, Institut de Biologie du Développement de Marseille  
*Seeing and understanding neuronal remodeling in pancreatic cancer*

11 AM – **Douglas Hanahan**, Ecole Polytechnique Fédérale de Lausanne  
*Neuronal signaling factors coopted in cancer cells regulate tumor phenotypes*

## LUNCH BREAK

Chair: Erika Cosset / Serge Manié

3 PM – **Frank Winkler**, German Cancer Research Center (DKFZ)  
*Cancer Neuroscience: about malignant networks in the brain*

4 PM – **Sébastien Talbot**, Queen’s University, Kingston, Canada  
*Neuronal control of cancer immunosurveillance*

**CRCL** CENTRE DE  
RECHERCHE EN  
CANCÉROLOGIE  
DE LYON
